

CONFERENCE SCHEDULE

The conference begins with a formal welcome and the first conference plenary lecture at 08:30 on the morning of Monday June 22nd. Each morning session begins with a plenary lecture at 08:30. This will be combined with the welcome address and EAG General Assembly on Monday, and with award ceremonies on subsequent days. There are also plenary lectures at 13:30 on Monday, Tuesday and Thursday afternoons. All these sessions take place in the Theatre Hall of the Congress Center (A1/Th).

Oral presentations in 18 parallel sessions will run from 09:30 to 12:30, and from 14:30 to 17:30. Poster sessions will take place on Monday, Tuesday Wednesday and Thursday in the Ice Stadium. Morning posters, with authors present to answer questions, take place from 09:30 to 12:30, with afternoon posters from 14:30 to 17:30.

There are no oral presentations or posters on Wednesday afternoon. Instead, the conference has arranged a plenary session on “The Earth’s Future” in the Theatre Hall (A1/Th) of the Conference Center. This session will feature four distinguished speakers and a panel discussion.

A list of all the sessions at Goldschmidt2009, together with the dates and times of the oral and poster presentations is given in the introductory pages, and overviews of the names of the presenting authors of all the oral presentations being given each day can be found at the end of this volume.
